## RESOLVE YOUR EXHIBIT MEDIA DISPLAY HEADACHES ONCE AND FOR ALL

- Trade Shows
- Museums
- Environments

*No budget for an A/V technician?*

## CHANGE THE WAY YOU A/V

Pro-Player Plus™ is simple for anyone on your team to operate ... without breaking a sweat.

*Tired of paying exorbitant rates for 24 hour round-the-clock power?*

## CHANGE THE WAY YOU A/V

When power is turned back on, Pro-Player Plus™ automatically restores your media to your monitors wherever it left off ... without you lifting a finger.

*No room in your space to hide a massive video playback system?*

## CHANGE THE WAY YOU A/V

Pro-Player Plus™ requires ZERO booth footprint. These tiny powerhouse players can mount right to the rear of your monitors ... now wasn't that easy?

## CHANGE THE WAY YOU A/V

**Pro-Player Plus™  
Media Control Systems  
are a proven  
GAME CHANGER  
for Exhibit Media Display**

- 4K PROFESSIONAL GRADE
- SIMPLE TO USE
- SCALABLE TO 100 PLAYERS
- LIFETIME SOFTWARE LICENSE
- 3 YEAR INTEL® WARRANTY

## POWERFUL

**Pro-Player Plus™ utilizes Intel® i3, i5 and i7 processors to give you the most powerful player on the market.**

▲ **CES 2018** ■ **Omron Corp** ■ **RANKED #12 in BEST OF CES**  
Pro-Player Plus drove monitors and lighting cues in Omron's 2500 sq ft booth, awarded 12th place of nearly 4000 booths in Exhibitor Magazine's Best of CES ranking. (Booth Design/Build: Exhibit Concepts)

▲ **TECH LoDown:** (14) Pro-Player Plus connected via a simple network to a single touchscreen running our Multi-Play software module, which allows users to control an unlimited number of systems from a single screen, with frame-accurate playback, for true (1) button cueing. Multi-Play comes with every Pro-Player Plus unit.

▲ **AIA Show:** **Inpro's** 20x20 booth was quite the attention getter with Pro-Player Plus driving video and lighting via a touchscreen interface. (Booth Design/Build: MG Design)

## SIMPLE

**No technician needed for simple loading and playback of your media files.**

▲ **Exhibitor Live 2018** ■ **ECI** ■ **BEST of SHOW**  
Pro-Player Plus controlled the whole monitor array in this award winning 20x30 Exhibit Concepts booth.

## FLEXIBLE

**For trade shows and installations, Pro-Player Plus™ is the most flexible control and playback system available.**

▲ **Eaton Industries Cyber Cafe Installation**  
Pro-Player Plus solved the customer's need for a cost-effective way to display 8 unique content sources on a 2x2 monitor array

▲ **Ross Tower Video Wall Installation** ■ **Dallas TX**  
This massive video wall is being driven by just (1) Pro-Player Plus system, delivering beautiful 4K video. (Design/Build: 900lbs of Creative)
